How would you like to have an instant Wine Cellar?

Attention: Golfers

How would you like to have an instant Wine Cellar?

For the past few years we have been offering the Wine Cellar concept and it was very well received. Each golfer is to bring one bottle of wine (red, white, blush, champagne). You will hand it over to the golf coordinator who will then give you a ticket. At the end of the tournament there will be 2 tickets drawn and those two people will walk away with enough wine to start their own cellar.

If you forget to bring a bottle there will be wine for sale at a cost of \$20.00 each.

If you have any questions, please contact Molly at: society@telus.net or 604-943-3314.

Have fun!
