

Director of Facilities - Gulf Islands School District #64

We are seeking an exceptional leader to join our team as Director of Facilities.

Reporting to the Secretary Treasurer, the Director of Facilities is responsible for all aspects of the District's facilities, including maintenance, building services, grounds, health and safety, capital planning and construction. The portfolio also includes responsibility for all student transportation services.

This position has supervisory responsibility for approximately fifteen staff and supports the Secretary Treasurer in the effective management of the maintenance functions of the organization. The Director of Facilities assists with the development and implementation of planning for the provision of services in alignment with District strategic plan.

As the ideal candidate, you have proven strategic leadership, dispute resolution and communication skills. An ability to plan, organize, and implement ethical solutions to issues and operational problems are attributes vital to success in this role. A minimum of five years' experience in facilities management is required. Hands-on knowledge of building operations and maintenance is essential. Successful experience in a leadership role in a multi-union public sector environment is an asset.

If you are excited by this challenge, please visit our website and submit your application including a cover letter, curriculum vitae and five professional references in a single pdf document to ludeacon@sd64.org.

Please address inquires to Linda Underwood, Acting Assistant Superintendent at lunderwood@sd64.org or 250.537.5548

The competition will remain open until a suitable candidate is found, however applications received by January 9, 2019 will be assured consideration. The preferred commencement date for this position is March 18, 2019.

Inspire Integrate Involve

Gulf Islands School District is located in the Salish Sea (Strait of Georgia) and is home to five island communities – Salt Spring, Pender, Galiano, Mayne and Saturna as well as Windsor House School in North Vancouver.

The District currently serves 1700 students and is proud of its quality programming; including successful Aboriginal programming, thriving International Program, performing arts academy, ecological, nature based, and late French Immersion programs.

We place students at the heart of our work and aspire to the values of trust, responsibility, opportunity, sustainability, collaboration and diversity
