

Success for All!

Nanaimo Ladysmith Public Schools employs more than 2,000 professionals, all committed to the education of our 13,900 students. Teachers, education assistants, principals and vice-principals, school secretaries, custodians, bus drivers, and scores of other staff are all integral to our excellent education system & our positive workplaces.

Located on the east coast of Vancouver Island, 113 km north of Victoria and 55 km across the Salish Sea from Vancouver, Nanaimo offers natural beauty at every turn, vast recreation potential and a mild climate year round. Nanaimo has one of the longest shorelines in Canada and a forested mountain backdrop just outside the downtown area. Here, you can go from the wilderness to the city centre in just a few minutes.

We are currently accepting applications for two Facilities Planner/Technologists

Under the general direction of the Manager of Planning and Facilities, is responsible for planning, design, drafting, surveying, cost-estimating, ensuring compliance with requirements of the various regulatory agencies, and other duties related to the construction and maintenance of sites.

Job Duties

1. Completes preliminary surveys; designs and sketches, for submission and approval, for roadways, parking, landscaping, fencing, drainage, playgrounds, playfields, services utilities, and other site-related items; also designs and sketches for construction, alteration and modification to buildings, respecting various trades areas.
2.
